

In House Testing

Unfortunately, our Company does not possess any in-house testing facilities since we have developed good working relationships with county council laboratories who can cover all our requirements in a short period of time.

On occasions when clients have requested an on-site laboratory we have been happy to meet their specified requirements and would be happy to do so with a project.

This Policy is to be reviewed no later than 31st December 2012.

A handwritten signature in blue ink that reads "J.N.E. Breheny". The signature is written in a cursive style with a large, looping 'y' at the end.

JNE Breheny
Chairman and Chief Executive
