

Continuous Professional Development Policy Statement

J Breheny Contractors are registered with the Institution of Civil Engineers to provide training to graduate members wishing to gain either Incorporated or Chartered Membership of the Institution.

At present we have five graduates under agreement carrying out site duties.

The company hold regular TEN sessions, which many of our Managers and Engineers attend to add to their CPD record.

In addition our staff is encouraged to attend various lectures and seminars relevant to their role in the industry and to attend the various meetings held by the ICE, IStructE, IHT, CIWEM, RICS and the Concrete Society.

A number of our management staff are members of other outside societies and presentations and courses attended on behalf of these societies are taken into account when signing off CPD records.

This Policy is to be reviewed no later than 31st December 2010.
